FOHBC Membership Info

The Federation of Historical Bottle Collectors (FOHBC) is a non-profit organization supporting collectors of historical bottles and related items. The goal of the FOHBC is to enhance the enjoyment of the hobby by promoting the collection, study, preservation, and display of historical bottles and related artifacts AND sharing this information with other collectors. Public education is fundamental to this theme.

Federation membership is open to any individual or club interested in the enjoyment and study of antique bottles. The Federation's bi-monthly publication, **Bottles and Extras**, is well known throughout the hobby as the leading publication for those interested in historical bottles and "go-withs". The magazine includes articles of historical interest, stories chronicling the hobby and the history of bottle collecting, regional news, show reports, advertisements, show listings, plus more. **Bottles and Extras** is truly THE place to go when information is needed about this growing hobby.

A membership in the FOHBC puts you in touch with many others who share your interest in these fascinating bottles and antique glass and keeps you on top of current happenings.
